

## DIGITAL IMAGE LICENSE - for Thailand Wildlife Collective Conservation Archive images

This is a creative commons license used by the Thailand Wildlife Collective photographers that allows their photographers to offer page of their photos for free but the licensee/user still has to comply with certain licensing conditions in order to use the photo.

ThailandWildlife.com has to be credited for the photo and photos cannot be used for commercial purposes. We do not practice nor support any commercial activities.

Licenses are granted for uses that support habitat and wildlife conservation and conservation awareness in Thailand.

This license is not valid unless completed and signed by the licensee and then approved by the licensor by signing and returning the license.

### **CLIENT'S USAGE**

The licensee shall only use the digital files in accordance with the permissions requested within this agreement.

The licensee's digital files are for conservation related use only and shall not be submitted to contests, reproduced for commercial use, or reproduced in any way by parties other than the licensee.

The redistribution of un-adulterated digital images is strictly prohibited.

Thailand Wildlife Collective's contributing photographers grant the licensee a non-exclusive, non-transferable, one time, specific-use license to use the media. After that usage the image files must be deleted.

Title and ownership, and all rights now and in the future, of and for the images remain exclusively with the Thailand Wildlife Collective's respective photographers.

There are no warranties, express or implied. The media is provided "as is."

### **SOCIAL MEDIA**

The licensee may not use un-adulterated or un-watermarked images on social media. Images posted on social media require a direct link or watermark credit towards "[ThailandWildlife.com](http://ThailandWildlife.com)".

The use of derivative images in social media is acceptable. This can be simply achieved by adding text to a photograph.

### **WHAT YOU MAY DO**

Licensee may use the images non-commercially. Non-Commercial use of the Media includes:

- Display on websites
- Making image prints for official offices, displays, exhibitions
- Making of derivative works for conservation awareness aims
- Use in official reports and research papers
- Use in projects that support Thailand
- Use in projects that support conservation and/or bio-diversity awareness
- Use in Conservation Supporting Materials (Presentations, etc.)

## WHAT YOU MAY NOT DO

Licensee may not:

- Resell, relicense, sub-license, redistribute without express written permission from the Photographer/s
- Use the Media in any way whatsoever in which you charge money, collect fees, or receive any form of remuneration
- Make the Media available for download

## LICENSE

All images are the property of the Thailand Wildlife Collective's respective contributing photographers and are copyrighted. None of them can be copied, used, or published for commercial purposes, whatsoever.

Thailand Wildlife Collective reserves the right to display the licensee's image usage on its website should it decide to.
